6.112. Penalty.

Any person violating any provision of section 6.101 to 6.111 shall be guilty of a misdemeanor.

Intoxicating Liquor**6.201. Provisions of State Law Adopted.**

The provisions of Minnesota Statutes Chapter 340A (as it may be amended from time to time), relating to the definition of terms, licensing, consumption, sales, financial responsibility of licensees, hours of sale, and all other matters pertaining to the retail sale, distribution, and consumption of intoxicating liquor are adopted and made a part of this Chapter as if set out in full.

6.202. License Required.

- Subdivision 1. General requirement. No person, except a wholesaler or manufacturer to the extent authorized under state license, shall direct or indirectly deal in, sell, or keep for sale in the city any intoxicating liquor without a license to do so as provided in this Chapter. Liquor licenses shall be of five kinds: "on-sale", temporary "on-sale", combination on-sale and off-sale, "off-sale", and club licenses.
- Subdivision 2. On-sale licenses. "On-sale" licenses shall be issued only to hotels, clubs, restaurants and exclusive liquor stores, and shall permit "on-sale" of liquor only.
- Subdivision 3. Combination licenses. A combination "on-sale" and "off-sale" license shall be issued only to an exclusive liquor store. "Exclusive liquor store" also includes a combination on-sale and off-sale intoxicating liquor establishment that sells food for on-premises consumption.
- Subdivision 4. Temporary on-sale licenses. Subject to the approval of the commissioner of public safety, temporary on-sale licenses shall be issued only to clubs or charitable, religious, or other non-profit organizations in existence for at least three years. A temporary license authorizes the on-sale of intoxicating liquor in connection with a social event within the city sponsored by the licensee and subject to restrictions imposed by the state liquor act.
- Subdivision 5. Off-sale licenses. Off-sale licenses shall be issued only to exclusive liquor stores and shall permit "off-sales" of liquor only.
- Subdivision 6. Special club licenses. Special club licenses shall be issued only to incorporated clubs or congressionally chartered veterans' organizations which have been in existence at least three years.

6.203. Application for License.

- Subdivision 1. Form. Every application for a license to sell liquor shall state the name of the applicant, his age, representations as to his character with written references

of the Lincoln County Sheriff and one other peace officer licensed as such by the State of Minnesota, his citizenship, the type of license applied for, the business in connection with which the proposed license will operate and its location, whether the applicant is owner and operator of the business, how long he has been in that business at that place, and such other information as the Council may require from time to time. Every application shall also include a copy of each summons received by the applicant under Minnesota Statutes Section 340A.802 (as amended from time to time) during the preceding year. In addition to containing such information, the application shall be in the form prescribed by the bureau of criminal apprehension and shall be verified and filed with the Clerk-Administrator. No person shall make a false statement in an application.

Subdivision 2. Financial responsibility. No liquor license may be issued, maintained, or renewed unless the applicant demonstrates proof of financial responsibility as defined in Minnesota Statutes Section 340A.409 (as amended from time to time) with regard to liability under the statutes, Section 340A.801 (as amended from time to time). Such proof shall be filed with the commissioner of public safety. Any liability insurance policy filed as proof of financial responsibility under this subdivision shall conform to Minnesota Statutes Section 340A.409 (as amended from time to time). Operation of a licensed business without having on file with the city at all times effective proof of financial responsibility as required in Subdivision 2 is a cause for revocation of the license.

6.204. License Fees.

Subdivision 1. Fees. The annual fee for a liquor license shall be \$700.00 for an "on-sale" license, \$25.00 for a temporary "on-sale" license, \$800.00 for a combination "on-sale" and "off-sale" license, \$100.00 for an "off-sale" license, and \$100.00 for a special club license.

Subdivision 2. Payment. Each application for a license shall be accompanied by a receipt from the Clerk-Administrator for payment in full of the license fee and the fixed investigation fee required under Section 6.205., Subdivision 1, if any. All fees shall be paid into the general fund. If an application for a license is rejected, the Treasurer shall refund the amount paid as the license fee.

Subdivision 3. Term; pro rate fee. Each license shall be issued for a period of one year except that if the application is made during the license year, a license may be issued for the remainder of the year for a pro rata fee, with an unexpired fraction of a month being counted as one month. Every license shall expire on the last day of December.

Subdivision 4. Refunds. No refund of any fee shall be made except as authorized by statute.

6.205. Granting of Licenses.

Subdivision 1. Preliminary investigation. On an initial application for an on-sale for combination license and on application for transfer of an existing on-sale or combination license, the applicant shall pay with his application an investigation fee of \$100.00 and the City shall conduct a preliminary background and financial investigation of the applicant. The application in such case shall be made on a form prescribed by the state bureau of criminal apprehension and with such additional information as the council may require. If the council deems it in the public interest to have an investigation made on a particular application for renewal of an on-sale license, it shall so determine. In any case, if the council determines that a comprehensive background and financial investigation of the applicant is necessary, it may conduct the investigation itself or contract with the bureau of criminal investigation for the investigation. No license shall be issued, transferred, or renewed if the results show to the satisfaction of the council that issuance would not be in the public interest. If an investigation outside the state is required, the applicant shall be charged the cost, not to exceed \$10,000, which shall be paid by the applicant after deducting any initial investigation fee already paid. The fee shall be payable by the applicant whether or not the license is granted.

Subdivision 2. Hearing and issuance. The city council shall investigate all facts set out in the application and not investigated in the preliminary background and financial investigation conducted pursuant to Subdivision 1. Opportunity shall be given to any person to be heard for or against the granting of the license. After the investigation and hearing, the council shall, in its discretion, grant or refuse the application. No "off-sale" license nor any combination "on-sale" and "off-sale" license shall become effective until it, together with the security furnished by the applicant, has been approved by the commissioner of public safety.

Subdivision 3. Person and premises licensed; transfer. Each license shall be issued only to the applicant and for the premises described in the application. No license may be transferred to another person or place without city council approval. Any transfer of stock of a corporate licensee is deemed a transfer of the license, and a transfer of stock without prior council approval is a ground for revocation of the license.

6.206. Persons Ineligible for License.

No license shall be granted to any person made ineligible for such a license by state law. No more than one intoxicating liquor license shall be directly or indirectly issued within the City to any one person.

6.207. Places Ineligible for License.

Subdivision 1. General prohibition. No license shall be issued for any place or any business ineligible for such license under state law.

Subdivision 2. Delinquent taxes and charges. No license shall be granted for operation on any premises on which any taxes and assessments, or any financial claims of the city are delinquent and unpaid.

6.208. Conditions of License.

Subdivision 1. In General. Every license is subject to the conditions in the following subdivisions and all other provisions of this Chapter and of any other applicable ordinance, state law or regulation.

Subdivision 2. Insurance. Compliance with financial responsibility requirements of state law and of this Chapter is a continuing condition of any license granted pursuant to this Chapter.

Subdivision 3. Licensee's responsibility. Every licensee is responsible for the conduct of employees and customers in the licensed establishment and any sale of alcoholic beverages by any employee authorized to sell such beverages in the establishment is the act of the licensee.

Subdivision 4. Inspections. Every licensee shall allow any peace officer, health officer, or properly designated officer or employee of the City to enter, inspect, and search the premises of the licensee during business hours without a warrant.

Subdivision 5. Display during prohibited hours. No "on-sale" or combination license establishment shall display liquor to the public during hours when the sale of liquor is prohibited. All licensed establishments shall close 30 minutes after the closing hours for sales.

6.209. Suspension and Revocation.

The Council shall either suspend for up to 60 days or revoke any liquor license, or impose a civil fine not to exceed \$2,000, for each violation upon a finding that the licensee has failed to comply with any applicable statute, regulation, or ordinance relating to alcoholic beverages. Except in cases of failure of financial responsibility no suspension or revocation shall take effect until the licensee has been afforded an opportunity for a hearing pursuant to Minnesota Statutes Section 14.57 to 14.69 (as amended from time to time) of the administrative procedure act.

Lapse of required dram shop insurance shall effect an immediate suspension of any license issued pursuant to this Chapter without further action of the City Council. Notice of cancellation, lapse of a current liquor liability policy shall also constitute notice to the licensee of the impending suspension of the license. The holder of a license who has received notice of lapse of required insurance or of suspension or revocation of a license, may request a hearing thereon and if such a request is made in writing to the Clerk-Administrator a hearing shall be granted within 10 days or such longer period as may be requested. Any suspension under this paragraph shall continue until the City Council determines that the financial responsibility requirements of this Chapter have again been met.

6.210. Penalty.

Any person violating any provision of this Chapter is guilty of a misdemeanor.

Cigarettes

6.301. License Required.

No person shall directly or indirectly, or by means of any device keep for retail sale, sell at retail, or otherwise dispose of any cigarettes or cigarette wrapper at any place in the City unless a license therefore shall first have been obtained as provided in sections 6.301 to 6.308.

6.302. Application and Issuance.

An application for such license (as described in Section 6.301.) shall be made to the Clerk-Administrator on a form that is supplied by the City. Such application shall state the full name and address of the applicant, the location of the building, and the part intended to be used by the applicant under such license, the kind of business conducted at such location, and such other information as shall be required by the application form. Upon the filing of such application with the Clerk-Administrator, it shall be presented to the City Council for its consideration; and, if granted by the council, a license shall be issued by the Clerk-Administrator upon payment of the required fee.

6.303. License Fee.

The fee for every such license shall be \$25.00 per annum. Every such license shall expire on December 31st next after its issuance. For any license issued after January 31st in any year, the fee shall be computed at the rate of \$2.00 for each month or fractional part of a month covered by the license. Licenses shall not be transferable from one person to another.

6.304. License Shall be Displayed.

Every such license shall be kept conspicuously posted about the place for which the license is issued and shall be exhibited to any person upon request.

6.305. Restrictions.

No license shall be issued except to a person of good moral character. No license shall be issued to an applicant for sale of cigarettes at any place other than his established place of business. No license shall be issued for the sale of cigarettes at a movable place of business, nor shall any license be issued for the sale of cigarettes at more than one place of business. No person shall sell or give away any cigarettes, cigarette paper, or cigarette wrapper to any person below the age of eighteen years. No person shall keep for sale, sell, or dispose of any cigarettes containing opium, morphine, jimson weed, Bella Donna, strychnia, cocaine, marijuana, or any other deleterious or poisonous drug except nicotine.

6.306. Vending Machines Prohibited.

The Council of the City of Hendricks prohibits the use of cigarette vending machines in the City.

Every cigarette license may be revoked by the council for a violation of any provision of this code if the licensee has been given a reasonable notice and an opportunity to be heard.

6.308. Penalty.

Any person violating any provision of sections 6.301 to 6.307 shall be guilty of a misdemeanor.
